**ACCEPTANCE OF PROPOSAL:**

This proposal is valid for Thirty (30) days from the date provided in the header. Acceptance after that may result in the proposal needing to be re-bid due to price increases. Final waiver will be furnished only upon receipt of final contract payment including all extras, change orders and retention. **Subcontractor agreements will be returned unsigned. An unconditional Purchase Order for materials is required to initiate this proposal.** All expedited lead times are dependent on availability from manufacturers. Any expediting charges will be processed as a change order add to the original contract amount. Credit of returned stock and special ordered hardware will be given if the product is returned in its original carton with all items intact after the product is inspected and will be subject to a restocking fee. Special and custom order doors and frames will not be credited if returned or unused.
